HORN POINT LABORATORY

### Horn Point Laboratory Touch Tank Registration Form

**Please allow 2 weeks notice before the requested date.  
Touch tank is scheduled on a first-come-first-serve basis.**  
Please fill in contact information:

Name \_\_\_\_\_

Address \_\_\_\_\_

Phone number \_\_\_\_\_ Email address \_\_\_\_\_

Organization \_\_\_\_\_

Event \_\_\_\_\_

Event Date and Time \_\_\_\_\_ Event Location \_\_\_\_\_

Set-Up Date and Time: \_\_\_\_\_

**Please indicate the name and contact information for the person responsible for directing set up the morning of the event if different from the name listed above.**

\*The touch tank must be located within 50 feet of a 110-120 Volt outlet. We CANNOT use extension chords or adapters.

Fill out this form and email it to [touchtank@hpl.umces.edu](mailto:touchtank@hpl.umces.edu) or mail to:

Katie McKone

2020 Horns Point Road

Cambridge, MD 21613

You will be contacted by email or phone for confirmation.

Disclaimer! We try to accommodate all requests, but in the event of mechanical problems, lack of workers, or inclement weather, the tank will not be able to go out. We have an alternative indoor display with live and stuffed animals. **Please indicate if you would like this alternative display if the weather is uncooperative or the tank itself is not operational.**

Yes, I would like to use the alternative indoor display if the touch tank is unavailable

No, I do not want or cannot accommodate an indoor display

\*The alternative indoor display requires electricity, a table, and two chairs.
